FOR IMMEDIATE RELEASE

SUBJECT: Mayor Mills and BRACE Program Team Visits Cement Manufacturing Corporation (CTS)

(Pictured from left: Mr. Douglas A Bailey, Councilmember; Mr. Leroy Mills, Mayor; Mr. Walter "Jerry" Hoyle, President, CTS; Mr. Joseph Barber, Training Director, CTS; Ms. Janet Ong, Marketing Director, CTS)

On Wednesday, March 16, 2011 Cypress Mayor Leroy Mills, Council Member Douglas Bailey, and the Cypress BRACE Program team visited with executives of CTS and had the opportunity to tour their facilities located at 11065 Knott Avenue.

CTS has been a part of the Cypress business community since September 1996. They are the largest manufacturer of specialty fast setting hydraulic cement and shrinkage compensating cement in the United States. CTS manufactures Rapid Set® professional grade cement products for concrete repairs and new construction projects, and Type-K shrinkage compensating cement for industrial-size floors and other concrete structures with no curling, no cracking and no control joints. CTS has approximately 40 employees at their Cypress facility and 120 nationwide.

For additional information regarding the BRACE Program and other City services for the business community, or for information on how to relocate your business to the City of Cypress, please contact Redevelopment/Economic Development Manager, Bill Manis at (714) 229-6671.
