FOR IMMEDIATE RELEASE

Subject: Cypress BRACE Program Committee Visits Criticom Monitoring Services

(Pictured from left: Mr. Douglas A. Bailey, Mayor Pro Tem; Mr. Jeff Hoblick, Vice President Business Development, CMS; Mr. Tony Wilson, President, CMS; Dr. Prakash Narain, Mayor; Mr. Tony Navarro, Customer Operations Manager-California, CMS; Mr. Bert Ross, Business Development Manager-West, CMS)

The Cypress BRACE Program Committee met with Executives of Criticom Monitoring Services (CMS) on Monday, September 27th in the City's continued efforts to reach out to its business community through the City's BRACE Program.

CMS' West Coast headquarters is located at 11130 Holder Street, Suite 200 in Cypress. CMS moved to their Cypress location in December 2007, and has a workforce of 125 team members. The Cypress CMS facility serves over 800,000 clients and processes more than 1,500 calls on a daily basis.

CMS has been in business since 1984 and has 26 years of industry experience in the security business. Their technology is state-of-the-art, whether it's residential, commercial, medical, industrial, audio, or video services. CMS also offers internet access service making dealer accessibility easier and faster for their clients.

CMS is UL listed for Burglary and Fire Protective Signaling; #UUFX S2630. CMS monitors a multitude of conditions that can be customized at each site and they offer multiple services to their customers that include burglary, fire, UL fire, two-way audio, remote video, open & close, environmental, elevator monitoring, cellular backup, & radio backup.

The company's corporate headquarters is located in Longwood, Florida. CMS is a wholly owned subsidiary of Protection One.

For more information about the City of Cypress or for more information on how you can relocate your business to Cypress, please call Mr. Bill Manis, Redevelopment/Economic Development Manager at (714) 229-6671.
