InterWire Products-California, Inc. held an Open House event on Friday, November 4, 2010, which was well attended by over 60 guests and local dignitaries. InterWire Products-California was incorporated in California in 1996 and has been a division of The InterWire Group headquartered in Armonk, New York ever since.

InterWire Products-California had been in a “temporary” location for about three years here in Cypress after trying out several other cities, but now they’ve finally settled in as of September 1st to their new home at 6603 Darin Way in beautiful Cypress.

InterWire Products-California is one of the eight Divisions of The InterWire Group, the largest wire distributor in the United States, and covers the distribution of heavy steel and fine diameter specialty wires servicing the 13 western states. InterWire Products, or IWP, is in a growth mode in California moving into a larger 40,000 square foot warehouse with expanded shipping and receiving capability, as well as wire straighten & cut capabilities.

Frank Cardile, Jr., President of The InterWire Group was in California for the Open House event. He met with customers, and was told by Douglas Bailey, the Cypress Mayor Pro Tem, "We really appreciate the fact that successful, national companies like The InterWire Group select the City of Cypress to work and live and grow." Todd Okino, Vice-President of IWP-California stated " We at IWP know quality, and we recognize that with the City of Cypress, so we will build and grow here to ensure that we can continue to provide the best quality wire and service to our valued customers". InterWire Products-California can be reached at (800) 388-3445.
