Chief of Police Mark Yokoyama
5275 Orange Avenue
Cypress, CA. 90630

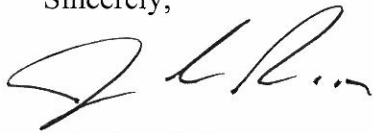

Dear Chief,

My name is John Leo Patterson and I'm employed by Yamaha Motor Corporation in Cypress. I work in the Racing Department as a Parts Coordinator. The last few years here at Yamaha I've regularly seen one of your Officers, Greg Faessel. He is a big fan of our professional race team. We usually discuss the ins and outs of racing along with some behind the scene bike setups we employ. But our last conversation was about the Cypress Police Department.

Greg was able to liaison a ride along on 02/19 with Officer Jeff Swift. What an exciting and motivating experience. I gained more knowledge that night than any book I have read on law enforcement or community involvement. I was thoroughly impressed with the professionalism and knowledge that Officer Swift showed. In meeting all officers that night I can only surmise that the whole department carries the same standards.

I personally wanted to thank you, your department and the City of Cypress in allowing me to experience a side to law enforcement rarely seen by the general public.

Sincerely,

John Leo Patterson
